## BRAÇO CURVO EM MADEIRA

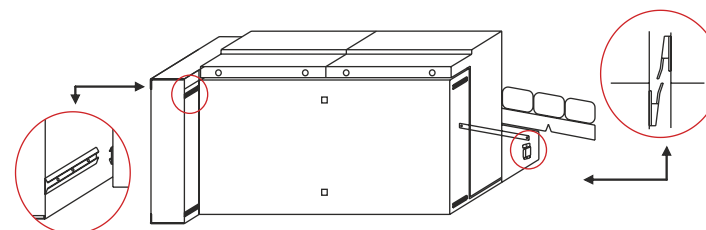

### Esquema de Montagem Baioneta

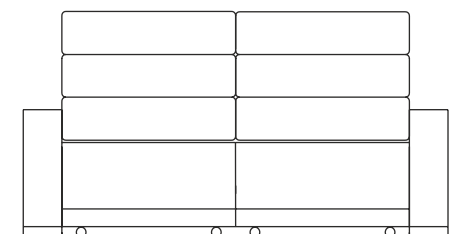

1° Passo: Posicione o módulo dos assentos e os braços do estofado com as costas para baixo.

2° Passo: Encaixe os braços no módulo dos assentos de modo que os engates fiquem parcialmente encaixados.

3° Passo: Coloque o sofá na sua posição correta, que automaticamente os engates se encaixarão de maneira que seu estofado esteja pronto para o uso.

# Descrição técnica:

## **ESTRUTURA:**

Madeira de eucalipto, aplainado, bitolado, proveniente de madeira de reflorestamento. Resistência natural ao cupim.

## **ALMOFADAS:**

Almofadas soltas dos encostos são confeccionadas em fibra siliconizada, revestidas com falso tecido, tipo travesseiro, facilitando o manuseio.

## **ESPUMA DOS ASSENTOS:**

D26, D28. Soft: D28, D30, super soft D33 e visco elástica.

## **PÉS:**

Imbuia, mel, amêndoa, cromados ou alumínio.

## **BASES DAS POLTRONAS:**

Alumínio, aço carbono cromado pintado em epóxi e aço inox. Catracas de encosto e braços, 04 estágios.

## **EMBALAGEM:**

Plástico liso, papelão ondulado e malha. Conservação dos produtos e prazo de garantia: Ver manual que acompanha o estofado.

## **ESPUMA DOS BRAÇOS:**

D30, D28, D26, D23.

## **GRAMPOS:**

Duplos de aço galvanizado.

## **MOLAS:**

Ensacadas (cobertas com camada de espuma) ou bonnel (trançadas com percintas elásticas) que aumentam o conforto e resistência do estofado.

## **ESPUMAS:**

As espumas são específicas para cada modelo conforme descrição no catálogo.

## **ESPUMA DOS ENCOSTOS:**

D23, D20 soft e hiper soft.

## **PERCINTAS:**

Elásticas importadas.

Obs: Nossos estofados podem ser produzidos em medidas especiais, para tanto é necessário consultar a fábrica e solicitar orçamento e prazo de entrega.
